

MADE IN CANADA

Blackfalds, Alberta

Showroom Partnership

Let your customers see, feel and choose Klaas.

Bring Canadian made cabinet accessories into your showroom. Give your designers a working display and your customers confidence in the details they choose.

Steel Bin Pullout

Garbage Pullout

Drawer Insert

Support built around your showroom

From a single display to a coordinated selection, we will work with you to choose products that suit your cabinetry, customers and available space.

01

Choose your products

Tell us what you would like to display and where it will go.

02

Plan your display

We confirm product fit, showroom support and freight together.

03

Bring it to life

Install your display and introduce your team to the Klaas collection.

Let's build your showroom selection.

Complete the next page and email it to jonathan@klaas.ca.

MADE IN CANADA
